"So much is noted about Blacksburg but for a beautiful ride, hike, small town feel Giles County has so much to offer. Housing is far less expensive and the drive to Blacksburg is only 30 minutes on Rt.460. The ability to purchase a home at far less cost will allow your family to add more features to their home and garden. Blacksburg and Christiansburg has become so over crowded. Families should venture out to the area of Pembroke, Newport, Pearisburg for a calm and restful family pace."
